158C Wellington Lane, Heathhall Ind Estate, Dumfries. DG1 3PH Telephone 01555 728515

ACLS provides the warranty set out in this document, in respect of this ACLS branded product and/or accessory ("Product(s)") purchased in a member state of the European Union, Iceland, Norway or Switzerland, to the consumer (the "Warranty"). If the Product is purchased in any of the countries referenced above, this Warranty is valid and enforceable in all of them, although, if the Warranty service is provided in a different country to the country of purchase, the service may be delayed.

The Warranty is voluntarily offered by ACLS and is separate and in addition to the legal rights of consumers under applicable local country laws governing the sale of consumer goods and to any rights of the consumer against the original retail seller of the Product and, therefore, does not affect, change or replace such rights.

What is covered by this warranty

1. ACLS warrants that the Products are free from defects in materials and workmanship under normal use and use in accordance with the respective Product user manual, during the Warranty Period (defined below).
2. The Warranty is provided for a period of:
 - twenty-four (24)* months in respect of the device (Actual Challenger C Series heater, Eberspacher heater unit, Webasto heater unit)
 - one (1) month in respect of exhaust pipework and associated fittings, fuel pipe lines and associated fittings,.
 - one (1) year for all heater accessories (fuel pump and controller) from the date of the original retail purchase of the Product ("Warranty Period").
 - All other products 1 year (Solar, Suspension, LPG equipment, Thermoheat heaters)
3. Consumer law in some countries does not permit limitations on the warranty period or on the type of components covered by a warranty, and therefore, the limitations described at point 2 above, for the limitations not in accordance with such laws, may not apply to you.

What ACLS will do in the event of a Warranty claim

4. During the Warranty Period, ACLS will repair or replace, at ACLS's option, the Product or any relevant parts thereof in the event of any defect in the materials and workmanship.

We will issue an appointment for the vehicle to be brought to our service centre, for Marine and non movable installations, we will request that the main heater unit is removed and returned to us for investigation and repair. We can offer on site service at your location, this service is chargeable, please see note at end.

5. The repaired Product or part or, the Product or part provided as a replacement for a defective Product or part, shall be free from defect in materials and workmanship. Repair or replacement of a Product or part may involve the use of a functionally equivalent reconditioned unit.
6. The consumer shall not be charged (whether for parts, labour or otherwise) for the repair or replacement of a defective Product during the Warranty Period. All replaced defective Product, parts, boards or equipment shall become the property of ACLS.
7. The Warranty in respect of a repaired or replaced Product or part shall continue for the remainder of the Warranty Period of the Product which was repaired or replaced.
8. The consumer will be required to provide the original retail purchase receipt or other documentation, or information requested or required by applicable legislation in respect of the date and place of purchase. In the event that such information is not presented or if it is incomplete or illegible, ACLS reserves the right to refuse providing the above service in respect of the Warranty claim.
- 8.1 The unit must be serviced in accordance with ACLS service policy., every 12 months or 800hrs, whichever is sooner to maintain warranty.
